

The General Terminal Report

Phase 1 Enhancements

The General Terminal Report (GTR) layout will be changing. These changes include:

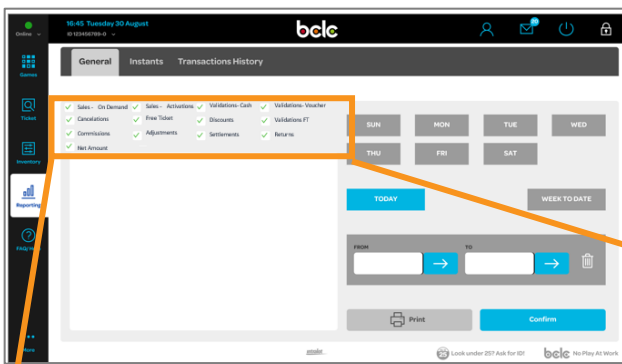

1. New Transaction Types
2. New section headings
3. A new Net Amount Total

This is Phase 1 of a 2-part update. These changes are based on feedback from our retail partners and are designed to make the GTR easier to understand and use.

1. New Transaction Types:

The selection of Transaction Types available in the General Terminal Report have been updated to include:

- Sales – On Demand
- Sales – Activations S&W
- Validations – Cash Equivalent
- Validations – Vouchers Redeemed
- Net Amount

Frequently Asked Questions

Q: When will Phase 1 changes to the GTR be available?

A: We are currently finalizing the implementation details for the Phase 1 enhancements to the GTR. We appreciate your continued patience and will provide a confirmed timeline as soon as it becomes available.

Q: Will my daily operations be impacted by the changes in Phase 1?

A: No significant impact is expected. The changes made to the General Terminal Report and the Transaction Types were developed to make daily operations more user friendly and support the daily reconciliation process.

Q: Do I need to do anything to prepare for Phase 1?

A: We recommend reviewing this Information Sheet in detail to understand the changes and the impacts these will have on your daily operations. Also, when notified ensure the Lottery Terminal at your location is ready to receive the software updates by following the instructions in the Terminal Message.

Q: How will I know the Phase 1 changes have been applied?

A: Check out the General Terminal Report to ensure the software updates were made to your Lottery Terminal. If the General Terminal Report changes have not been made to the Lottery Terminal, try rebooting before contacting Lottery Retail Support.

Q: When is Phase 2 happening and what changes will it include ?

A: Phase 2 is coming soon—stay tuned for more details. It will include additional enhancements to the GTR that further support daily Lottery operations at your location.
