## Q&A

### **Will sales targets be provided?**

Yes, sales targets will be emailed to each store within the 1<sup>st</sup> week of the incentive. Your Territory Manager will also discuss the incentive on their regular scheduled visit.

### **How is my target being calculated?**

Your target is based on a 10% increase in overall lottery sales compared to your sales during the previous five-week period (May 31 – July 4, 2026). While waiting for your target to be available, you can estimate it by reviewing your overall lottery sales for that period in your General Terminal Report and adding 10%.

### **What does all Lotto sales include?**

All Lotto sales means just that. All lottery games, Scratch & Win, Proline, and Keno.

### **How will prizing be delivered?**

After the incentive ends on August 8, 2026, stores that achieved their sales target will be identified and \$1,000 prizes will be paid out via EFT to the RSG Operator. BCLC Territory Managers will notify winning stores once results are finalized.

### **What about the \$100 Elite Incentive that's running until August 2?**

Sales of the Scratch & Win \$100 Elite ticket will count toward both the \$100 Elite Incentive and the All Lotto Sales Blitz Incentive.
