Social Purpose

Since defining our social purpose: **we exist to generate win-wins for the greater good**, BCLC has been seeking ways to further integrate purpose within our business. With purpose at the forefront, BCLC recently developed and approved our Environmental, Social and Governance (ESG) Framework and Policy. The Framework is grouped into three high-level ESG goals:

Local Projects & Initiatives

Each year, municipal and First Nations governments in B.C. that host a gambling facility receive a 10 per cent share of net gambling income generated at those facilities. Last year, 33 Host Local Governments across B.C. received **\$100.8 million** in provincial gambling revenue to fund local projects and initiatives.

BCLC proudly supports the Abbotsford International Airshow, the Fraser Valley's largest and most exciting annual event. Through the support of volunteers, sponsors, and spectators alike, the Abbotsford International Airshow delivers an economic impact of more than \$6 million and contributes more than \$100,000 each year to local charities, community groups and youth organizations.

Lake City Casino Vernon is a proud sponsor of Vernon Jubilee Hospital Foundation's Charity Classic, the North Okanagan's premier golf tournament with the purpose to support excellence in healthcare. In the past 13 years, the Charity Classic has raised nearly \$3 million to provide critical resources, bring state-of-the-art equipment to the hospital and support community healthcare programs throughout the North Okanagan region.

Game Break

It's important to take breaks when gambling. It's a way to pause and regain perspective. However, when it becomes harder to fit in breaks and gambling just doesn't seem fun anymore, BCLC's Game Break program can be the first step towards getting help.

In January 2023, BCLC launched Game Break, a reconceptualized self-exclusion program with an active reinstatement process that strives to reduce stigma and empower individuals to make the right choices for themselves.

When a Game Break term is completed, individuals take part in an online program that encourages self-reflection and awareness before they return to gambling, if they chose to at all. If they are not ready, they have the option to extend their break.
